Bridgewater-Emery Families,

Through the Federal PROJECT AWARE grant, the South Dakota Department of Education, the Bridgewater-Emery School District, and Southeastern Behavioral Healthcare are working in cooperation to:

1. Increase and improve access to mental health services for school-aged youth in Bridgewater-Emery, and
2. Conduct outreach and engagement with school-aged youth and their families to promote positive mental health and increase awareness of mental health issues, and
3. Help school-aged youth develop skills that promote resilience, de-stigmatize mental health and increase self- and peer-awareness of mental health issues.

We are aiming for ALL students to participate in a screening. SAEBRS or Social, Academic, and Emotional Behavior Risk Screener, screens through a self-report and teacher report.

Warm Regards,

Jenelle Sigler
