Section 2.1 - District Employees

Teachers generally have the most direct contact with students on a day-to-day basis. As a result, they must be aware of their role in responding to crisis situations. This also applies to non-teaching school personnel who have direct contact with students. All staff shall be aware of the Crisis Management Policy and know where to access the information. It is also the responsibility of all staff members to be aware of medical conditions or health risks of all students.
